

Island City Center

Wilton Manors, Florida

Planning a new mixed-use community adjacent to city hall has resulted in the creation of the new "Island City Center" for Wilton Manors. Designing the street between properties as a plaza has enhanced both properties and will give the city hall a greater presence along Wilton Drive. The four-story contemporary styled building features 24,000 square feet of retail space on the first floor topped by 120 modern apartments.
